# "Unusual Things"

TO BE HAD IN

## Berry's Boys, Misses and Children's Department

Every now and then you see a boy, or a girl, or a "tot" wearing some distinctive sort of apparel. If you'll make it a rule to inquire, you'll find always that they bought it "at Berry's."

We set ourselves the task of being complete outfitters to boys and children in Richmond, and our idea of "complete" is to have everything a boy wants for dress, school, or play.

It's here. Such things as Palm Beach and Creole Linen Suits for boys; White Serge Knickerbockers; Baseball Suits; Gymnasium Suits;

Play Suits; Boy Scout Uniforms; Khaki and Crash Suits; Walking Sticks, etc.

And for Girls-distinctive Middy Blouse; Norfolk Middy Suits; Reefers; Sweaters; White Serge Coats; Raincoats-things you can't get elsewhere!

For "Tots"-Novelty styles in Wash Suits that put "cuteness" in his dress. Every mother should keep familiar with this great Richmond Liliputian Bazaar.

Mrs. Clayton Rogers.

The expected capture of Tampico, to port next in importance to Vera uz, will raise many interesting estions, as the rebels have held no uports heretofore.
